

1-pair DIN rail plug-in Data surge protector

CITEL

DLAWS1-24D3

- 1-pair Surge protection
- Pluggable protection module
- Optical fault indication
- Indirect shield connection
- Visual indicator in failsafe behaviour
- Indirect earthing
- Current circuit disconnection when module is unplugged
- Conforms to IEC 61643-21, VDE 0845-3-1 and UL497B

	Electrical Characteristics

Network		4-20 mA																																							
Max. DC operating voltage	Uc	28 Vdc																																							
Max. frequency	f max.	> 3 MHz																																							
Insertion loss		< 1 dB																																							
Max. discharge current max. withstand @ 8/20 μs by pole	I _{max}	20 kA																																							
Line inductance		No																																							
Protection mode(s)		Common/Differential mode																																							
Protection level @ I _n (8/20 μs)	U _p L/L	40 V																																							
Impulse current 2 x 10/350 μs Test - D1 Category	I _{imp}	5 kA																																							
Nominal discharge current C2 Category	I _n	5 kA																																							
Line/Line Nominal discharge current C2 Category	I _n L/L	5 kA																																							
Nominal Discharge Current, X-C (Line/Earth) 8/20 μs Test x 10 - C2 Category	I _n L/PE	5 kA																																							
Line resistance		< 4.7 Ohm																																							
ELEC																																									
Nominal line voltage		U _n 24 V																																							
Mechanical Characteristics																																									
Disconnection		Specific version with line cut-off in case of removal plug-in module																																							
Technology		GDT+Clamping diode+PTC (thermal resistor) + Resistor																																							
SPD configuration		1-pair+shielded																																							
Connection to Network		By screw terminal: cross section 0.5-2.5mm ²																																							
Format		Plug-in DIN box																																							
Mounting		Symmetrical rail 35 mm (EN 60715)																																							
Housing material		Thermoplastic UL94 V-0																																							
Operating temperature		T _u -40/+85°C																																							
Protection rating		IP20																																							
Failsafe mode		Opening line - transmission cut-off - fault mode 2																																							
With line cut-off in case of removal plug-in module		Yes																																							
Disconnection indicator		Red light on																																							
Spare module(s)		DLAWS1M-24D3																																							
Dimensions		See diagram																																							
Standards																																									
Standards compliance		IEC 61643-21 / EN 61643-21 / UL497A																																							
Certification		UL Listed																																							
Part number																																									
6419031
